Reflection

Saints are people who inspire us: not just because they are "holy" women and men; but because when we look into their lives, we can find the same human frailties and weaknesses that we all have, in one form or another. The lives of St Peter and St Paul are familiar to all of us: St Peter, the man who denied Jesus three times at His most vulnerable moment; St Paul, the man who actively sought out and persecuted the Christians of the Early Church. And yet, both men went on to do the most wonderful things, and quite rightly are remembered especially this weekend. St Peter, our first Pope, the rock on which our Church was built. St Paul, the great missionary and Disciple of the Gentiles.

Through their lives and their example, we find hope. Through God's grace and in our small ways may we too provide help, guidance and support to those who may need it the most. *Saints Peter and Paul, pray for us.*

SURVIVE – MIVA Appeal

SURVIVE_MIVA is a Catholic Lay Association, based in Liverpool and founded in 1974, which provides grants to fund essential transport for health outreach work in isolated rural areas, and for the Church's pastoral care in places of difficult access across Africa, Asia and Latin America. There will be an appeal at all Masses **over the weekend of the 13th and 14th of July** for this charitable cause.

"For the pastoral care of the sick"

We pray that the Sacrament of the Anointing of the Sick confer to those who receive it and their loved ones the power of the Lord and become ever more a visible sign of compassion and hope for all.
